Art & the Industrial Revolution

Manchester, Liverpool and Salford

Liverpool is a city steeped in history. With its rise to prominence in the 18th century as part of the booming transatlantic trade, the city was a hive of cargo from all over the world. By the late 19th century 40% of the world's trade was passing through, and a number of major buildings were constructed to reflect the city's wealth.

Located on the vibrant, rejuvenated Albert Dock, our centrally located hotel features comfortable rooms in a converted warehouse. Tate Liverpool museum and the interactive Beatles Story exhibit are only minutes away, and you will have an opportunity to meander along the UNESCO World Heritage waterfront which reflects Liverpool's significance as a Maritime Mercantile city.

We will enjoy exclusive guided visits with Art Historian Jessica Fahy to a range of museums and galleries learning about Art and the Industrial Revolution. During our 4 day trip we will make fascinating daily excursions to Manchester and Salford while discovering works by William Blake, the Pre-Raphaelites and L.S Lowry.

Price Includes:

Return flights with Aer Lingus to Manchester Airport, private transfers to and from Manchester Airport, 3 nights in the city centre Holiday Inn Express® Royal Albert Dock Liverpool, 3 breakfasts, 2 dinners (3 courses including wine, tea and coffee), Luxury private coach, services of a Tour Director throughout the trip, all entrance fees & guided tour fees and Liverpool Orientation Tour.
